Who is Lifespan?

Lifespan is a holder of an Australian Financial Services Licence which enables it to act as a financial services provider under the Corporations Act. Lifespan was established in August 1994 and is privately owned by the family interests of the Executive Chairman, John Ardino, who has over 30 years' experience in financial planning. Lifespan provides a wide range of services to a large network of advisers across Australia to enable them to provide advice that is in the best interests of clients.

These services include: compliance, supervision, investment research and advice, ongoing professional development and training, an adviser help desk across all financial planning issues and general technical support and advice.

Not Independent

Lifespan and its authorised representatives are not independent in relation to the provision of personal advice. Lifespan operates its own Managed Discretionary Account (MDA) service and receives fees in respect of the MDA service. Lifespan is an investment manager for some Managed Portfolios and receives fees in respect of this activity. Lifespan may also receive commissions from life insurance providers when we recommend life insurance to our clients. Lifespan may act as promoter and investment manager in conjunction with OpenInvest and may receive fees for promoting and managing the portfolios.

Who is responsible for the financial services provided to me?

Your adviser acts on behalf of Lifespan who is responsible for the advice provided to you. However, your adviser may operate separate businesses, and provide other services through those businesses, which are **NOT** authorised by Lifespan and do **NOT** involve Lifespan in any way, such as: accounting, auditing, tax return preparation, self-managed super fund compliance and administration, property sales and referrals, and other products and activities. Lifespan is **NOT** responsible for any advice and services you receive from your adviser that are not authorised by Lifespan. If you are

uncertain, you should ask either your adviser or Lifespan Head Office who is responsible for that particular advice, service, or transaction.

Does Lifespan have any relationships or associations with product issuers?

Lifespan operates its own Managed Discretionary Account (MDA) service and receives fees in respect of the MDA service. Lifespan is an investment manager for some Managed Portfolios and receives fees in respect of this activity. Lifespan may act as promoter and investment manager in conjunction with OpenInvest and may receive fees for promoting and managing the portfolios.

What financial services are available to me?

Our high-quality financial planning and advisory service involves:

- Identifying your financial needs, objectives, and circumstances;
- Establishing realistic and reasonable financial goals and needs;

- You may also engage us to provide advice on an ongoing basis or for a fixed term.

Unless their authorisation is restricted (see the Adviser Profile) Lifespan advisers can generally provide you with sound advice relating to a wide range of important areas such as wealth creation, retirement, redundancy, superannuation, risk insurance, estate planning, Centrelink payments, cashflow management, budgeting and debt repayments, structuring of investment portfolios, borrowing to invest, complex company and trust structures, and so on. Lifespan's research and technical support services enables advisers to provide value added advice on a broad spectrum of financial problems which takes into account relevant regulations pertaining to your financial position and goals.

Lifespan is licensed to deal in and provide financial advice on the following range of financial products: deposit and payment products, standard margin lending, managed investment schemes (including Investor Directed Portfolio Services and Managed Discretionary Accounts), securities including shares, Retirement Savings Accounts, superannuation, life insurance investment and risk products and government issued debentures, stocks, and bonds.

If you would like to discuss any of these financial products, please contact your adviser.

How do I provide instructions?

Lifespan advisers will act on your instructions following your acceptance of their recommendations in your SOA. They and we should not act independently of your specific instructions (unless you decide to use Lifespan's MDA service). Instructions you provide should be communicated to your adviser in writing. These instructions should be forwarded in an email, fax or posted letter to your adviser.

Tailored, general and ongoing advice

Lifespan advisers usually provide advice tailored to your individual circumstances and also have the capacity to implement the advice they give, except where this may require the use of other professionals (for example accountants and lawyers). You may choose to enter into an agreement with your adviser to provide you with both initial advice and ongoing advice. If appropriate, we may also provide general advice only, where you are ultimately responsible for ensuring that this advice is suitable to your particular needs, objectives and financial situation. In this case, you should also obtain any relevant product disclosure statements to assist in this purpose.

Should I transfer investment monies to my adviser's account?

No. Lifespan does not allow advisers to receive your investment funds into their own account or into any Lifespan account. You should only transfer investment funds for a financial product to the approved financial institution that issues the financial product (as specified in the Product Disclosure Statement or similar document). You should never transfer investment funds to any other entity or person.

You should also not sign any blank forms or appoint your adviser as your attorney (or authorised signatory). You should not appoint any other person as your attorney or authorised signatory unless you have received legal advice.

What information should I provide to my adviser?

You will need to provide your adviser with your personal objectives and your current financial situation including details of assets, liabilities, income and living expenses. This can best be accomplished by completing a Lifespan Client Data Form. The amount and type of information we will require from you depends on what financial services you require.

It is important that you provide us with complete and accurate information about your current personal circumstances and financial situation.

If you choose not to supply the required information or provide us with inaccurate information, the advice you receive may not be appropriate to your needs, objectives, and financial situation.

You should read the warnings contained in the SOA, check any assumptions we make and review the basis for our advice carefully before making a decision about whether to proceed

with the advice. You should also obtain and read any relevant product disclosure statements prior to applying for a financial product.

How will I pay for the services provided?

Your adviser's specific method of remuneration and fees, including referral fees, are detailed in their Adviser Profile. The exact remuneration and fee details will be disclosed to you in your SOA.

All fees will be payable to Lifespan. If your adviser's remuneration includes commission paid by a product provider, such commission payment will be made to Lifespan. Lifespan retains between 0% and 40% of all commissions and fees we receive. The remainder is passed on to your adviser.

How are any fees, commissions or other benefits calculated for providing the financial services?

The three stages of financial planning are Initial Advice, Implementation, and further Advice. There is usually a separate fee for each of the three stages. Your adviser's remuneration structure for each advice stage will be found in their Adviser Profile and the dollar value disclosed to you in the SOA.

All commissions are payments made by the insurance product provider and are calculated as a percentage of the premium paid on insurance products. Commissions are of two types: (a) upfront or initial; and (b) ongoing or trail.

Fees can be based on a percentage of funds invested or funds under advice, hourly rates multiplied by the hours worked, an agreed dollar amount for the value of the specific service being performed, or a combination of these.

The fees can be collected by platforms and other product providers.

The typical ranges of fee rates for investments and commissions for insurance products are as follows:

- Upfront fees usually vary between nil and 5.5% of the investment amount with superannuation related fees being capped at 5%. Example: \$100,000 investment using a platform may involve an upfront fee payment of say 3% or \$3,000 which could be deducted from your investment account and paid to Lifespan, leaving a net investment of \$97,000.
- Ongoing fees typically range from 0.5% to 1.5% pa. Example: A portfolio of \$300,000 may be subject to an ongoing portfolio review fee of 1% per annum paid quarterly. This would amount to \$3,000 per annum.
- Upfront commissions can be up to 66% of the premium paid on insurance products.
- Ongoing commissions can be up to 33%.

All applicable fees and commissions will be agreed to with your adviser and disclosed in your SoA or other advice

document.

What should I know about any risks of the investments or investment strategies you recommend to me?

Lifespan advisers may only recommend to you investment products that are researched, analysed and approved by Lifespan. Your adviser should explain any significant risks of investments and financial planning strategies. If the adviser does not do so, you should contact us to explain those risks to you.

Who do I complain to if I have a problem with your services?

A fee for portfolio preparation or, if investment recommendations are not implemented, a fee may also be charged. Ongoing advice that includes portfolio reviews is charged on a percentage fee basis which varies according to the portfolio amount, complexity and structure, or as a fixed dollar amount as agreed between you and your adviser.

The basis for the fee for the SoA will be agreed upon with you before any advice is provided or costs incurred. All other fees are fully disclosed in the Statement of Advice and Product Disclosure Statement prior to any charges being incurred.

Preparation of Statement of Advice (SoA) (depending on complexity)	\$1,100 to \$10,500
Annual Portfolio Management & Review	Up to 2.0% p.a. of Funds Under Management (Minimum of \$1,200 p.a.)
Insurance Upfront commission Ongoing commission *% based on amount of premium and is paid by the insurance provider	Up to 66%* Up to 22%*
Ad Hoc Advice	The fees for the provision of ad hoc advice or administration assistance not covered by an Ongoing Service Arrangement will be an hourly rate of \$330.

All fees include 10% GST.

All fees are payable to Lifespan. Lifespan retains 12% and pays Serafina Wealth Management Pty Ltd 88%.

Catherine receives a salary and is entitled to Director's drawing/ dividend if and when paid

Fee Examples:

Example for Investment Products

If you receive advice regarding an investment of \$500,000, the SoA fee could be \$5,500, of which \$660 (12%) is retained by Lifespan and \$4,840 (88%) is paid to Serafina Wealth Management Pty Ltd.

If you maintained the investment and assuming the balance of the investment remains at \$500,000, the annual portfolio management & review fee could be \$5,500 per annum, of which \$660 is retained by Lifespan, \$4,840 is paid to Serafina Wealth Management per annum (charged monthly).

Example for Risk Products

If you receive advice regarding insurance, the SoA fee could be \$1,100 of which \$132 is retained by Lifespan, \$968 is paid to Serafina Wealth Management. Should you proceed with the advice, then the SoA fee may be waived. However, if the policy is cancelled in the first two years ('responsibility period') you will be liable for the portion of the commission clawed back.

If you take out a life insurance policy with an annual premium of \$1,500, assuming the highest commission for the Upfront Option is selected at 66%, the upfront payment to Lifespan would be \$990, of which \$119 is retained by Lifespan, \$871 is paid to Serafina Wealth Management. The maximum ongoing commission for the Upfront Option is currently 22% per annum which could result in a payment of \$330 per annum for as long as the policy remains in force, of which \$40 is retained by Lifespan, \$290 is paid to Serafina Wealth Management. Where a level commission option is selected, it could be as much as 33%, or \$495, of which \$59 is retained by Lifespan, \$436 is paid to Serafina Wealth Management.

This commission has what is called a 'responsibility period' imposed by the risk product issuer. This means that if the policy is cancelled within the first 1-2 years of inception commission is returned to the product issuer by Lifespan.
